

Internet access for library users

([only for public computer workstations and non-HU-members](#))

! no Wi-Fi-Access: It is **not possible** to access wireless network with a library account. For wireless access you need a different account (eduroam), which Humboldt-University offers to its **own** students and employees exclusively. **Students from other universities** should contact their IT-department at **their universities** respectively, most universities offer eduroam accounts to their staff and students as well. Read more at www.eduroam.org.

Library-ID and Log-in at the computer

 <p>If you already have a library card please start at point 4!</p>	<h3>Apply for a library card</h3>  <ol style="list-style-type: none">1. Double-click the button '<u>Account beantragen</u>' on the desktop of a public computer2. Fill out the online form and send3. Fill out the green paper form and get your library card at the loan desk (ground floor). - Please keep your ID or passport and if you have any your student ID at hand.
<h3>Activate your account to log onto the computers</h3>  <ol style="list-style-type: none">4. Select '<u>Primus-Suchmaschine</u>' on the desktop – (you can switch the website's language at the small flag in the center at the top of the page) – log in with your library ID (HUUB...) and your password5. Change your password ('My Account' → '<u>Settings</u>' → '<u>Change Email/Password</u>') and choose a secure one which is at least 8 characters long, contains letters, numbers <u>and</u> special characters: + - % . , () / Names, words, letter and number strings are <u>not</u> permitted.6. Log out from the catalogue, wait about 10 minutes for the activation and log in into windows. Your library account is now enabled for logging in into Windows-workstations	
<h3>To log in and use the computers, click on the desktop on '<u>Windows-Anmeldung</u>', enter your username followed by "@user", as shown in the image below:</h3>
